Dear Sirs:

I am enclosing, for your information and review, a copy of a letter from my constituent, Mrs. Marie Snyder.

Mrs. Snyder is expressing concern over an increase in cable rates by Armstrong Utilities out of Grove City, Pennsylvania.

I would appreciate your advising my office if indeed Armstrong is justified in raising the rates.

Thank you for your attention to this request.

Very truly yours,

Tom Ridge

MASS MEDIA BUREAU

The week you're Telp.

Longwood, near Ridge.

I am sending you some
interesting letters.

In the Elliot Newspaper
(Hence (the) of May 7, the
entire and I am. The
kater, we did something.

Went up to this month. In
the Sharon Herald paper of
July 7, 1993 they said T. later
like frozen as of September 1992.
Not true with Armstrong Lake.

Then says they are going to
charge each house a flat rate
regardless of size. I can't believe,
retired, fixed income, T. then
would have to pay twice what
I am paying at the last time.

think a very simple deal.
In the way of the deal I may
have to quit sooner. If people
want more than the 1st then they
pay them - not an 10, 100, 1000
and grow flaps.

What the F.B. should get
on this Cable Co. and check it
out.

Thank you.
